

The Rockland Nationals Junior 'A' Hockey Club invites you to register to be a member of the **2017 CDHL Rockland Nationals**. The Central Development Hockey League has launched its 4th season with teams operating in Eastern Ontario and Western Quebec.

The league members are all current operators of Junior A programs and as such, are preparing current and future players with the unique opportunity to participate in a Junior environment. In addition, players will be provided with an inclusive development program that includes an off-ice training program, discounted equipment and a discounted Prospects Camp entry fee.

All member teams provide their players with a 16-game regular season schedule, 9 practices and a season ending playoff tournament. In keeping with the unique development aspect of the league, the rules of play will emphasize skill enhancement and promote opportunities for next level exposure. The season begins April 29 and concludes June 25th, 2017.

Unlike programs run by private individuals, this interactive approach provides game experience along with instruction and training by actual Junior 'A' coaches who are currently running programs.
